

FTF 4075-WSA

The latest generation of our innovative Forklift- / Truck-Terminal offers:

- Android 15 Google EDLA
- Software and hardware support directly from the manufacturer
- Customer-specific pre-installations and configuration (option)
- Pre-assembly briefing and assembly by our own technicians
- Extensive accessories portfolio
- Long spare part availability

The IND FTF 4075-WSA terminal is the latest and most innovative terminal of the newest generation. With an IP65 rating, the device offers protection against the ingress of dust and water.

The 10" vehicle/industrial terminal comes standard with a powerful Rockchip 3588 64-bit octa-core CPU, a high-contrast sunlight-readable LED display, and a capacitive multi-touch screen. Furthermore, the FTF 4075-WSA, with its robust aluminum housing, offers a perfect and durable solution for use in harsh industrial environments, such as warehouses and production halls. The terminal can be used in either portrait or landscape orientation.

IND Bracket Concepts

For proper mounting of the terminal we have a various range of different IND-Brackets:

- RAM-Mounts
- VESA-Mounting (75mm)

We also offer adapters that allow existing IND mounting solutions to continue to be used.

FTF 4075-WSA

Specification

Dimensions	259mm B x 173mm H x 43mm T
Weight	2,5 kg
Display	10,1" LED backlight, WUXGA, 1920 x 1200 Pixel
Touchscreen	Capacitive multi-touch, can be operated with gloves
Power	Standard: 24V/48V (9V - 75V internal DC/DC converter) Optional: External DC/DC converter or 230VAC, external powersupply 24VDC
Interfaces	Standard: 1x USB 2.0 Optional: Additional interfaces such as USB, RS232 can be implemented as required
OS	Android 15
CPU	Rockchip 3588 64-Bit-Octa-Core
RAM / Flash	8 GB LPDDR4X / 128 GB
Temperature	Standard temperature range: 0°C bis +50°C
Protection Class	IP65
WLAN	Wi-Fi IEEE 802.11ax, Wi-Fi6
Bluetooth	Bluetooth V5.0
Software Options	Ivanti Velocity (optional with full license and Pre-installation), SOTI MobiControl (optional with full license and Pre-installation)
Accessories	External Keyboards, Vehicle-specific brackets
