

FTF 4075-WSW

The latest generation of our innovative Forklift- / Truck-Terminal offers:

- Windows 10- or 11 IoT Enterprise
- Software and hardware support directly from the manufacturer
- Customer-specific pre-installations and configuration (option)
- Pre-assembly briefing and assembly by our own technicians
- Extensive accessories portfolio
- Long spare part availability

The IND FTF 4075-WSW terminal is the latest and most innovative terminal of the newest generation. With an IP65 rating, the device offers protection against the ingress of dust and water.

The 10" vehicle/industrial terminal comes standard with a powerful Intel Amston Lake CPU, a high-contrast sunlight-readable LED display, and a capacitive multi-touch screen. Furthermore, the FTF 4075-WSW, with its robust aluminum housing, offers a perfect and durable solution for use in harsh industrial environments, such as warehouses and production halls. The terminal can be used in either portrait or landscape orientation.

IND Bracket Concepts

For proper mounting of the terminal we have a various range of different IND-Brackets:

- RAM-Mounts
- VESA-Mounting (75mm)

We also offer adapters that allow existing IND mounting solutions to continue to be used.

FTF 4075-WSW

Specification

Dimensions	259mm B x 173mm H x 43mm T
Weight	2,5 kg
Display	10,1" LED backlight, 1920 x 1200
Touchscreen	Capazitive multi-touch, can be operated with gloves
Power	Standard: 24V/48V (10V - 63V internal DC/DC converter) Optional: External DC/DC converter or 230VAC, external powersupply 24VDC
Interfaces	Standard: 1x USB 3.1 Optional: Additional interfaces such as USB, RS232 and audio can be implemented as required
OS	Microsoft Windows 10- or 11 IoT Enterprise LTSC
CPU	Intel® Amston Lake® Prozessor X7433RE, up to 3,4GHz, 4 Cores
RAM / Flash	4 – 16 GB / 128 – 256 GB
Temperature	Standard temperature range: 0°C bis +50°C
Protection Class	IP65
WLAN	Wi-Fi IEEE 802.11be, Wi-Fi7
Bluetooth	Bluetooth V5.4
Software Options	Ivanti Velocity (optional with full license and Pre-installation), IND Touch Console, SOTI MobiControl (optional with full license and Pre-installation)
Accessories	External Keyboards, Vehicle-specific brackets, uninterruptible power supply
